RAFFLE

Results

Congratulations on purchasing a New Year's Raffle ticket, the game with the best odds of winning a million dollars offered by the California Lottery!

To determine if your raffle numbers were picked, please review the numbers below. They are listed in ascending numerical order (smallest numbers first) from left to right. The numbers on your ticket are in sequential order, so you just need to locate the place your numbers fall in the list to see if any of your numbers were picked. If you want to search for your numbers online, there is a search feature at: <http://www.calottery.com/RaffleSearch.htm>
